Summary: A poem about 346 guilty spark. Work still In Progress

A Spark of Guilt

Oh guilty one, your work is still not done

Though you have betrayed us once before,

You will have one more chance to sore.

You must use your bright and tiny spark,

To light the way for the traveler in the dark,

As you guide him to the Ark.

><p>My first shot at a poem. Inspired by the halo character 346 Guilty Spark. I also uploaded this poem to the poemhunter site under the name BSG 117 in case you thought I stole it.
